

FOCUS

WEEK 1

LOOK TO THE CROSS

CONNECT

- ⊙ What do you remember most from the sermon this weekend?
- ⊙ What do you think are the forces that are most impacting the church today?
- ⊙ What are we (HumeRidge) facing that brings you the greatest concerns?
- ⊙ What would you like the leadership of the church to know?

ENGAGE

Read Philippians 2:11 and Philippians 2:3-5

- ⊙ Share one part of that teaching from Paul that you find most challenging? Anything you don't understand?
- ⊙ Do you think people who are non-Christians would use the word humble to describe Christians or the Christian Church? Explain why or why not.
- ⊙ Define humility. What does it mean to be a humble person?
- ⊙ What would be some outcomes if we as a church took the teaching of Philippians 2:3-5 seriously?
- ⊙ If humility was something our church valued highly, what would our church look like?

APPLY

- ⊙ What can your LifeGroup do this week to encourage someone in the church who right now could use some encouragement? Do it.
- ⊙ Pray for our Church. Ask God to please help us as a church to walk humbly with him. Pray that we will seek to serve faithfully and to do it for His Glory.

PRAY

Write down the names of three people who you know need prayer. Commit to praying for them three times this week. Ask God to guide them and help them to know him better. Ask God to help you know who you should serve this week.
